

How to Create a Parent Account in Canvas (to view most current grades)

<p>1. Student will log into their own Canvas accounts, and click on 'Account'</p>	 <p>The screenshot shows the Canvas Dashboard. On the left is a blue navigation sidebar with icons for Account, Dashboard, Courses, Groups, and Calendar. A red arrow points to the 'Account' icon at the top of the sidebar. The main content area shows a 'Dashboard' header and a large image of a red apple on a stack of books.</p>
<p>2. Student will click on 'Settings'</p>	 <p>The screenshot shows the 'Account' settings page. The left sidebar is visible with a red arrow pointing to the 'Settings' icon. The main content area has a 'Logout' button at the top, followed by a list of settings: Notifications, Files, Settings, My Badges, Global Announcements, and Observing.</p>
<p>3. Student will click on 'Pair with an Observer'</p>	 <p>The screenshot shows the 'Settings' page, specifically the 'Web Services' section. A red arrow points to the 'Pair with Observer' button located in the 'Other Services' area. The page includes fields for Full Name, Display Name, Sortable Name, Pronouns, Language, and Time Zone.</p>
<p>4. Student will give this code to the parent/guardian.</p>	 <p>The screenshot shows a 'Pair with Observer' dialog box. It contains the text: 'Share the following pairing code with an observer to allow them to connect with you. This code will expire in seven days, or after one use.' Below the text is a text input field containing a blacked-out pairing code. A red arrow points to this input field. An 'OK' button is located at the bottom right of the dialog.</p>

5. Parent will log into Canvas at <https://ccsd.instructure.com/login/ldap> and click on 'Parent Login'

6. Parent will click 'Parents get accounts too.'

7. Parent will fill out the information, including the 'student pairing code' that the student created in step 4.
